

# If You Want Good, Responsible Men in Office Cast Your Vote for these Men

## J. H. Thompson

Democratic Candidate for

### Sheriff

If there is anything the people of Globe and Gila county do not know about me just ask

JUDGE WITCHER  
GEO. H. SMALLEY  
EMMETT GAYNOR or  
W. S. PETERSON

## Geo. W. P. Hunt

Democratic Candidate for

### Territorial Councilman

For years Mr. Hunt has been a resident of Globe and he is one of its leading and most enterprising citizens. Every act of his life is above reproach.

## John McCormick

Democratic Candidate for

### Territorial Assemblyman

Gisela is the home of Jno. McCormick, and Gisela is proud of him too. His record in the legislature is straight and clean.

A story is told on Mr. McCormick which shows his integrity. One day he went on a note of \$500 for a friend and when it came due he was called on to pay it. He had nothing but a pony but went after the mail contract between Payson and Pleasant Valley and paid this note a little each month out of his salary. Today Mr. McCormick numbers his friends by the hundreds and deserves every voter's support.

## E. T. Stewart

Democratic Candidate for

### Recorder

Was born in Sedalia, Mo., 29 years ago. He has lived in Globe for 14 years, receiving his education here and at Tucson and Phoenix. He has been Recorder for the past two years, and his term shows very satisfactory work. Mr. Stewart wants your vote if you believe his two years of service as Recorder has met your approval.

## J. S. Miles

Democratic Candidate for

### Supervisor

Mr. J. S. Miles has been a resident of Globe for going on four years, and by aggressive but careful business methods has attained an enviable position among the successful merchants of the city.

His public spirited nature has made him the choice of his fellow citizens to handle important affairs upon the school board, in which capacity he has served with marked ability. Large sums of money have been judiciously expended in the erection of two handsome and very creditable ward school buildings, while the management of the schools has met with the approval of all patrons with exceptional unanimity. The official experience of Mr. Miles in a similar capacity in his former home in Texas has been of valuable assistance to him in conducting the office here.

As a heavy taxpayer, successful in his own financial undertaking, he should be exceptionally qualified to protect the interests of the property owners and at the same time to aggressively represent the demands of all who are striving for developments and improvements for the county calling for the outlay of the county funds.

It is of more than passing importance that the right man be selected at this time. The voters will do well to weigh carefully all claims of aspirants for official trusts and select a man whose record is clean, whose ability as a judicious public servant has been demonstrated, whose interest as a citizen is upheld by property considerations, whose attitude on public questions is known and whose integrity and business honor is unquestioned.

## G. Walter Shute

Democratic Candidate for

### District Attorney

G. Walter Shute, by reason of his long residence in Globe, is known to almost every man, woman and child in Gila county. He is what may be termed a self-made young man, and in a few years that he has been practicing law in this city has built up a practice which would be a credit to a barrister of much longer established reputation. He is thoroughly competent to handle the important duties of the district attorney's office and if elected will give the office his best attention. It is confidently predicted that Mr. Shute will be well up at the head of the ticket when the votes are counted Tuesday night.

## Robert L. Pinyan

Democratic Candidate for

### Treasurer

Robert L. Pinyan, the democratic nominee for the office of county treasurer of this county, has been a miner since his boyhood days, having served his apprenticeship in the San Juan country, Colorado, where he held many positions of trust in some of the large, as well as small, companies in that section and was foreman of the Royal Tiger mine near Silverton, Colorado, just prior to his coming to Arizona over eight years ago, and at that time had about one hundred and fifty men under his charge. There are many people here who have known him for twenty years, and stand ready to vouch for his honesty, integrity, capability, and earnestness of purpose, and his sterling devotion to the interests of his party. Since coming here his action speaks for him, as he is now foreman of the Gray mine, and he has held other responsible positions at other mines in this vicinity.

He had the misfortune to lose almost the entire use of his good right arm, in the Gray mine, several years ago, yet he has the energy and capacity to support a wife and family of five children. He is in every way capable of filling the duties of this important office, and merits the support of all classes.

If elected, the people will always find him attending to the duties of that office, in a gentlemanly, courteous and affable manner.

## Pat Rose

Democratic Candidate for

### Supervisor

Mr. Rose needs no introduction to the people of Globe and Gila county having resided in Arizona for 25 years. He has never aspired for political honors and for 15 years has been urged by his friends to enter the political arena. For 9 years Mr. Rose was with the Old Dominion and for 5 years was foreman of the Arizona Commercial. He is one of Globe's leading business men.

## HINSON THOMAS

Democratic Candidate for

### Justice of Peace Globe Precinct

In 1875 Judge Thomas arrived in Prescott. In 1879-80 he was a resident of Globe. In 1896 he returned to Globe and has lived here since. His four years of service as Justice of Peace have been eminently successful and he puts his candidacy for a third term before the voters with a spotless record.

## FRED NYMEYER

Democratic Candidate for

### School Superintendent Of Gila County

Fred Nymeyer will be no experiment in the office of superintendent of schools of Gila county, as he has had many years experience, both in teaching and other school work and in the office of superintendent, which position he held for more than a dozen years before coming to Globe, three years ago. In an office of this character technical ability is what most counts, and Mr. Nymeyer is well qualified to deliver the goods. He has been making a whirlwind campaign and his friends feel that his election is a practical certainty, and if such is the case the voters of Gila county, the fathers of the children going to the schools which will be under his supervision will have no reason to regret it.

## P. C. ROBERTSON

Democratic Candidate for

### Probate Judge

A record of never having had a single decision reversed is the distinction of Judge Robertson's eight years in office. This is a record one should be proud of, and speaks volumes for Judge Robertson's ability of being the right man in the right place.

Born in Illinois, he went to California in 1853, moving in 1881 to Arizona, where he lived on Salt river. Twice he has lived in Globe, this last time having been here thirteen years. Judge Robertson asks the support of the voters on his past record, which is sufficient proof of his ability and integrity to fill the office satisfactorily to all.

## WM. RAWLINGS

Democratic Candidate for

### Justice of Peace Globe Precinct

Wm. Rawlings was born 45 years ago in Texas. He came to Arizona in 1887, living at Phoenix for three years. In 1890, he moved to Globe and has remained here ever since, having worked in the mines and smelter up to 1900. In 1901 and 1902, Mr. Rawlings was Justice of the Peace in the Globe precinct and also the last two years he has served in the same capacity. He is a safe man for his office and asks the voter for his support on Tuesday, November 3.

## M. S. Reid

Democratic Candidate for

### Constable

Globe Precinct

M. S. Reid, who received the democratic nomination for constable, has long been employed in the mines of the Globe district and is at present working at the Gray. A man of powerful build, quick conception and excellent judgment, he will make a peace officer of no mean ability. Among those who know him best, the miners with whom he has labored the past few years, Mr. Reid is very popular. He is a worthy man and will appreciate the votes of his friends.

## Wm. G. Duncan

Democratic Nominee for the Office of

### CONSTABLE
